

VERDAD

2015 Albariño \$25

Sawyer Lindquist Vineyard
Edna Valley

- Harvested on 8/21 & 9/3
- Average Brix: 22.0
- TA: 9.1
- pH: 3.15

The grapes were whole cluster pressed and settled then racked into stainless steel tank and neutral barrels for fermenting. In January we blended the two lots together.

This wine shows beautiful minerality with lime & orange blossom aromas, fresh cut peaches, meyer lemon, lime zest, blood oranges and white stones on the palate.

This Albariño has a silky texture on the palate and bracing acidity. This wine is still developing but promises to develop great complexity and mouth filling flavors.

500 cases were bottled.
